

UNITED IN LOVE ADOPTIONS

Uniting Families Through the Bonds of Love

Dear Prospective Adoptive Parent(s),

Thank you for choosing United in Love Adoptions to complete your adoption home study. Our mission is to bring hope, love, and connection by serving children, individuals, and families in the areas of adoption and support services. Our placement goals are to meet the child's needs and best interests, along with a strong commitment to work with the wishes and rights of the expectant parents. We purpose to journey alongside the adoptive parents through the legal, physical, and emotional adjustment to a new family member. We match adoptive parents regardless of race, gender, religion, or other criteria. Our mission is to unite as many families as possible through the ties of love that build families beyond genetic ties.

Some of the services we provide adoptive families include:

Home Studies

- Providing, explaining, and notarizing needed documents
- Connecting with other social service agencies on client's behalf
- Marketing and advertising adoptive parents to expectant mothers
- Educating using counseling and on-line classes

Adoption Placement Services

- Post- Placement Supervision
- Interstate Compact Services

We understand that adopting a child can be overwhelming and emotionally challenging at times. We are here to walk you step by step through the adoption process as you complete the necessary forms for your home study. One of our knowledgeable Adoptive Parent Coordinators will complete your initial home study and we will provide any legally required post placement supervision visits after your child comes home to ensure that you and your new child are doing well and assist with any needs. Your Adoptive Parent Coordinator will provide you with guidance and support, as well as referrals for any additional services that your family may request.

As you provide information and complete required forms, you will be asked to either email them directly to United In Love Adoptions or upload the documents to your mycase portal. Mycase is a safe and secure environment for adoptive families to work with our agency throughout the entire adoption experience. Mycase includes our electronic forms, alerts to keep you on track with your home study requirements, and a complete document management system with upload, download, print and DocuSign capabilities.

We look forward to partnering with your family on your adoption journey!
